POSITION SUMMARY:

The Supported Child Development Consultant is responsible for assisting families and child care providers to ensure the full participation of children and youth who require additional support in community child care and preschool.

This position requires Union membership, a satisfactory criminal record check, a valid BC Driver's License, use of personal vehicle, a current First Aid / CPR certificate, medical clearance and declaration of immunization status. This position is open to male and female applicants.

QUALIFICATIONS:

Diploma level Early Childhood Education, including Special Needs and Infant Toddler Certification or equivalent. Applicants with additional qualifications such as enrolment in/completion of the Infant Development/Supported Child Care Consultant Certificate or Diploma and/or a professional degree from a University or College of recognized standing in a field related to Supported Child Development (e.g. early childhood education, child and youth care, social work, psychology) are encouraged to apply.

EXPERIENCE:

Minimum 3 years' experience facilitating a process of individual planning for children and youth who require additional support, and their families, in a variety of inclusive child care and community settings and experience with home visiting. High level of understanding with regard to the development of children and youth and the impact of disability and delay on growth and development. Excellent interpersonal and communication skills (written and verbal, including record keeping, reporting, facilitation, presentation and public speaking skills); ability to work as an effective team member and demonstrated practical experience in exercising independent judgment and initiative.

This position is open to male and female applicants.

Please submit resumes to: hr@kinsight.org not later than 4:30 p.m. on the closing date.
